

*AREA – The voice of European Refrigeration,
Air Conditioning and Heat Pump Contractors*

Join our network as an Observing Partner

Who we are

AREA is the European Association of refrigeration, air conditioning, and heat pump (RACHP) contractors. Contractors are the essential link between end users and manufacturers. They design, install and maintain RACHP equipment using every available solution with complete neutrality towards equipment and refrigerants, in the sole aim of ensuring the highest level of reliability, energy efficiency and cost-effectiveness.

**With members from
26 National Associations,
covering 22 countries,
AREA represents
13.000 companies that:**

Employ 110.000 people

**Have an annual turnover
of €23 billion**

OBSERVING PARTNERS

By becoming an Observing Partner,
you join a unique network of peers where you can:

Connect with Europe's
RACHP contractors and
organisations active in the
RACHP sector

Receive key updates on
European policy and
regulation that impacts our
industry

Gain insights that help
you to stay up to date on
industry trends

WHAT WE OFFER

Intelligence

- Quarterly AREA newsletters sharing insights on topics impacting our industry.
- Access to all AREA publications, from position papers to reports.

Visibility

- Listing on AREA's website on a dedicated Observing Partners page with a link to your organisation's website and be featured in AREA's Annual Report.
- New Observing Partners are announced and acknowledged at Spring and Autumn General Assembly meetings.

Network

- Connect with European RACHP contractors' associations and other bodies engaged in the sector at the Observing Partners meeting organised in Autumn in Brussels or in conjunction with Chillventa in Nuremberg.
- 1 Observing Partner representative invited to an informal gathering (e.g. cocktail reception) before or after the Observing Partners meeting.

Who can join?

The following categories of organisations can become Observing Partners:

- * **European and non-European associations**
- * **National associations (that do not have contractors in their membership)**
- * **Contractors' companies**
- * **NGOs**
- * **Manufacturers**
- * **Educational bodies**

Candidates for Observing Partners must be nominated by a National Association that is an AREA member to be considered.

Fee
€2000
per year
